

Come Out to:

ANTI-July 4

"AMERICA WAS NEVER GREAT"

Picnic!

***We Need Revolution! We Need
a World Without Exploitation,
Without Oppression, and
Without Borders.***

***In The Name Of Humanity,
We Refuse To Accept
A Fascist America!***

A Better World Is Possible.

***This System Cannot Be Reformed
—It MUST Be Overthrown.***

At a time when this *system* puts immigrant children in cages at the border and bombs still other children in the Middle East, when police *still* shoot down Black, Latino and Native people in the streets, when women are treated as less than human and the basic rights and respect for LGBTQ people are denied right up to the Supreme Court, and when the environment itself is under severe assault—a better world IS possible. Come hear how—break bread, watch films, hang out, and celebrate the *world we need* and find out about what we need to do to get there. Bring poems, music, food—or just yourself and your desire to do something *against* this system—on July 4.
