

# The Two Faces of Genocide Joe

**Weeping  
when he meets  
Netanyahu**

**Cold-bloodedly saying “I’m sure  
innocents have been killed, and  
it’s a price of waging a war,”  
when questioned on the deaths  
of Palestinian children**

**Joe Biden, this bloody-jawed wolf, perfectly reflects the values of U.S. imperialism. The lives of those in the imperialist countries and the allies of those countries—even cold-blooded murderers like Benjamin Netan-Nazi—deserve tears. The lives of those who “get in the way” of U.S. imperialism deserve dry-eyed dismissal.**

**This system—and all  
its values—have to go!**
