Real Revolution, In *This* Time:

What the Powers-That-Be Don't Want You to Know

**A series of social media dispatches
from Bob Avakian**

BA is coming to you straight up, bringing truth the powers-that-be don't want you to have—truth you need to know—the truth about the revolution we need *now*: Why is revolution necessary? Why and how is it actually possible—not in some far off time, but right *in this time*—with society being ripped apart and the rulers more sharply divided than they've been since the Civil War? Could we really win? What is this revolution aiming for?

Because: If you don't understand why we need a revolution, and how that revolution could be possible, then **you don't know what you need to know.**

Bob Avakian is completely different than all the capitalist “leaders” who can’t see, and won’t look, beyond the confines of this horrific system. He is hard-core for revolution, with a largeness of mind, generosity of spirit, and lively sense of humor—which shines through in these Interviews.
