Over the last week students across the country have faced off against vicious repression. This week's *Revolution—Nothing Less! YouTube Show* reports live from UCLA on Wednesday night and early Thursday morning, as well as Columbia early in the week. The show answers these big questions:

## 1. WHY???

*WHY* are righteous protests being brutally repressed? Why did Biden make a point of opposing and distorting these protests? *WHY* does Biden – and those who rule this country – fully support Israel in carrying out genocide against the Palestinian people in Gaza?

## 2. WHAT MUST BE DONE TO END THIS WAR?

Israel has continued to carry out this genocide. The U.S. has continued to fund Israel and to arm it with its horrific weapons. Now Israel is preparing to destroy the city of Rafah, where over a million Palestinians have been forced to shelter. What must be done to stop this—NOW?

## 3. AND WHAT MUST BE DONE TO END THIS KIND OF HORROR—ONCE AND FOR ALL?

We need a whole different world, and a fundamentally different system. And unless and until we get that, wars like this will continue. This means revolution—to emancipate humanity, in this time and not in some distant time. Find out what this revolution is all about and how it could be brought about. And find out about the revolutionary gathering this **Sunday** to get deeper into all this: **May 5, 1pm, Jim Gilliam Park, 4000 South LaBrea Ave**

**We, the people of the world, can no longer afford to allow these imperialists to continue to dominate the world and determine the destiny of humanity. They need to be overthrown as quickly as possible. And it is a scientific fact that we do not have to live this way. – revolutionary leader, Bob Avakian**
