

EMERGENCY IN TEXAS!

Join with the Abortion Rights Freedom Ride: GROUND ZERO TEXAS

Texas is the second most populous state in the country, with more than 26 million people. In 2011, Texas had 46 freestanding abortion clinics. By September, it could have as few as six left!

This is an emergency. When women cannot access safe and affordable abortion, their lives are foreclosed by forced motherhood. Or they are driven to risk their lives by seeking illegal abortions.

Join with stoppatriarchy.org in building mass protest and resistance, staging determined acts of resistance, confronting the antiabortion forces and institutions, and caravanning down to the Rio Grande Valley. Check revcom.us for more plans as they are announced. August 1 into September, volunteers from around the country will travel to Texas to stand up against these attacks. Volunteers needed now.

Coat-hanger Symbol

The coat hanger is a symbol of terror and enslavement of women. Before abortion was made legal, many women sought illegal abortions or tried aborting the fetus themselves, often using coat hangers to induce bleeding, and often these women died.
