

1. Humanity Needs Revolution and The New Communism brought forward by Bob Avakian (BA)
 2. Fight the Power, and Transform the People for Revolution

We are united around two principles:

To everyone who can't stand this world the way it is... who is sick and tired of so many people being treated as less than human... everyone who hungers for a world without oppression, exploitation, poverty, and destruction of the environment... everyone who has the heart to fight for something that is really worth fighting for: YOU need to be part of this revolution.

REVOLUTION is NOT small changes that leave this system in place and in power.

REAL revolution means *defeating* the violent enforcers of this monstrous system: *abolishing* this system, with all its oppressive institutions, and its governing U.S. Constitution; and *establishing* a far better system, based on the Constitution for the New Socialist Republic in North America, written by Bob Avakian—bringing into being a society, and ultimately a world, free from all forms of slavery, all exploitation and oppression based on class, race, sex, and gender, all relations in which one part of humanity is subordinated to and dominated by others.

COMMUNISM, the *New Communism*, has been brought forward by Bob Avakian, (BA), a completely different leader who is heart and soul, hardcore serious about a revolution where people can get all-the-way free. He further developed, and applied, **communism as a scientific understanding** of the need and possibility for this truly emancipating revolution.

We Face Two Futures:
 Something Terrible,
 OR Something Truly Emancipating.

Which future we get depends to a great extent on what we do. To seize this time, throughout society (and with the eyes on the whole country) we are organizing:

THE REVCOM CORPS
 FOR THE EMANCIPATION OF HUMANITY

This system of capitalism-imperialism is the source of all the outrages and madness that people are subjected to, here and all over the world—and it is long past time it be swept off the face of the Earth.

Revolution is even more possible in the time we live in now because those who have ruled this country are deeply divided in a way they have not been since the Civil War in the 1860s, while society is ripping apart in ways that can no longer be covered over or held together.

To seize this time, we are organizing The Revcom Corps For The Emancipation Of Humanity.

1. We base ourselves on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.
2. We fight for a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or "jokes" about people's gender or sexual orientation.
3. We fight for a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, "jokes" or derogatory names about a person's race, nationality, or language.
4. We stand with the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.
5. We search for and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.
