

ALLEGIANCE

NO! to this Republic of the so-called “United States” of America with its blood-soaked red, white, and blue rag, and the system for which it stands—the economic and political system of capitalism-imperialism.

A Republic whose “National Anthem” was written by a slave-owner (Oh, oh say can you see...all the sla-a-ver-y...)!

A Republic deeply divided, under the rule of oppressors, with liberty and justice denied.

A Republic founded on slavery and genocidal robbery: keeping millions of Black people in chains for generations...killing off huge numbers of Native Americans and stealing their land...waging a war that ripped off half of Mexico, greatly expanding slavery.

A system that, from the start and down to today, has been grounded in heartless exploitation, using and abusing masses of people to create wealth for the few, with violent white supremacy, male supremacy and gender oppression built into and enforced by this system...plundering people in all parts of the world...destroying the environment, and waging unjust war after war, even to the point of threatening the very existence of humanity...killing off hope for a decent future, or any future at all.

YES! TO A RADICALLY DIFFERENT REPUBLIC AND MUCH BETTER SYSTEM—a new socialist republic, a system which will move to abolish and uproot all this madness and give the highest expression to people’s humanity, and a future corresponding to people’s highest aspirations.

TO PEOPLE EVERYWHERE, IN EVERY PART OF SOCIETY: THE CAUSE WE SHOULD BE DEDICATED TO, AND THE ALLEGIANCE WE SHOULD HOLD, IS REPRESENTED NOT BY THE U.S. CONSTITUTION—a document written by and serving the interests of slave owning and capitalist exploiters, from the founding of this country down to today...a document that elevates “property” and the “right” to enslave and exploit above and against the life and liberty of billions of people, here and throughout the world...a document that for nearly 100 years institutionalized owning Black people as property...a document that has been repeatedly used, and is used today, to “legalize” inequality, injustice and oppression, with whole groups of people treated as “second class” and less than fully human. WE CAN DO MUCH BETTER THAN THIS!

THE CAUSE WE NEED TO BE DEDICATED TO IS REVOLUTION: To abolish and uproot this system we are now forced to live under, and bring into being a new system based on THE CONSTITUTION FOR THE NEW SOCIALIST REPUBLIC IN NORTH AMERICA—which provides a sweeping vision, a firm foundation and concrete blueprint for a radically different and emancipating society and world, with the abolition of all inequality, oppression, and exploitation.

WE ARE THE REVCOMS (REVOLUTIONARY COMMUNISTS): working every day for the revolution that is urgently needed to bring down this system of capitalism-imperialism and bring into being a fundamentally different and far better system—working to spread this revolution everywhere, organizing thousands and then millions into the ranks of this revolution, so that there is a real chance to win.

TO PEOPLE EVERYWHERE, IN EVERY PART OF SOCIETY: JOIN US—as revolutionary emancipators of humanity, NOT murderous enforcers, or mindless accomplices, of the injustice, degradation, and devastation of this system of capitalism-imperialism and its terrible consequences for humanity.

A CHALLENGE

If anyone wants to claim that what we have said here is not right, then let them have the courage to put that on the line, directly up against us and the knowledge we are bringing...and it will become even more clear that what we say is the truth—a powerful truth that people need to know about and take up.
